Energy Intelligence Subscription Agreement

By payment of the attached invoice, you agree to the following terms and conditions governing the subscription(s) to the publication(s) and/or service(s) that are described on the front of this invoice and furnished by Energy Intelligence Group, Inc. ("EIG").

Copyright Policy

All text, images, content and other materials contained in or displayed on any EIG publication, product, service, report, e-mail or web site are proprietary to EIG, except where otherwise noted, and constitute valuable intellectual property subject to the copyright laws of the United States, international conventions and other copyright laws. The subscription(s) for the publication(s) identified on the front of this Invoice is for the sole use and/or access by the individual(s) or the employee(s) of the entity identified under the "Shipped to" notation on front of this Invoice only ("Authorized User(s)") and may not be shared electronically or by any means now known throughout the universe or hereinafter devised. The number of Authorized Users listed on the front of this Invoice may not be exceeded and an Authorized User is only an individual and never an entire entity, organization or company. No text, image, content and/or material from any part of any EIG publication, product, service, report, e-mail or web site may be downloaded, transmitted, broadcast, transferred, assigned, reproduced, made available or in any other way used or otherwise disseminated in any form now known or hereinafter devised to any person or entity other than the total number of Authorized User(s) without the express written consent of EIG. Each unauthorized access, reproduction or use of or to any text, image, content or material from any EIG publication ("Unauthorized Reproduction") shall be deemed a willful infringement(s) of EIG's copyrights and other proprietary and intellectual property rights. As determined in EIG's sole discretion, the damages for each Unauthorized Reproduction will be the maximum amount allowed as statutory damages under the Copyright Act, or EIG's Pay-per-Article pricing for the total number of articles in each Unauthorized Reproduction. EIG expressly reserves all rights in connection with its intellectual property, including without limitation, the right to block the transfer of its publications, products and/or services and/or to track usage thereof, through electronic tracking technology, and all other lawful means, now known or hereafter devised. EIG reserves the right, without further notice, to pursue to the fullest extent allowed by the law any and all criminal and civil remedies for the violations of its rights. For permission to photocopy and/or use any of EIG's publications beyond the scope of this Agreement, please access the appropriate article at www.energyintel.com and follow the instructions for Pay-per-Article.

These Energy Intelligence Terms and Conditions contain the complete and exclusive agreement between you and EIG relating to the subscription(s) for the publication(s) and number of Authorized Users identified on the front of this invoice, and supersede any prior proposals, understandings, subscriptions and other agreements, oral or written. These Energy Intelligence Terms and Conditions may not be amended and/or modified without the express written consent of Energy Intelligence Group, Inc.

Disclaimer and Limitation of Liability

EIG SPECIFICALLY DISCLAIMS ANY AND ALL WARRANTIES, EXPRESS OR IMPLIED, REGARDING THE PUBLICATIONS OR SERVICES OR ANY INFORMATION PROVIDED THROUGH OR IN CONNECTION WITH THE PUBLICATIONS OR SERVICES, INCLUDING WITHOUT LIMITATION, WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE, AND WARRANTIES AS TO THE ACCURACY, COMPLETENESS OR CONTENT OF ANY INFORMATION AVAILABLE ON OR THROUGH THE PUBLICATIONS AND/OR THE SERVICES.

In no event shall EIG, its affiliates, employees, agents or representatives be liable for any indirect, consequential, special, incidental or punitive damages (including, without limitation, errors or omissions in the Publications) in connection with this Agreement or in the use of the Services.

Refund and Privacy Policy

EIG does not provide cash refunds but will at its sole discretion issue credits for other publications if for any reason you are not satisfied with a publication or other service that you have purchased. Credits expire within one year of cancellation.

The information we collect from you when you purchase or renew an EIG product is principally used to fulfill your order. On occasion, we may use this information to alert you about new Energy Intelligence products and features that we believe may be of interest to you or your organization. On an occasional basis, we may also pass this information to select outside companies whose products or services we feel may be of interest to your business. We do not, at any time, provide our subscriber names for list rental.

If you have any questions about our privacy practices, or prefer not to receive promotional materials from us, please e-mail us at marketing@energyintel.com or contact the marketing department via mail or telephone.

Customer Service

For any delivery problems or e-mail, address, phone or fax changes, please e-mail customerservice@energyintel.com. Please be sure to include your customer number, full subscriber/company name and address in your e-mail. You may also phone: 1-212-532-1112, or fax: 1-212-532-4479.
